**CORONAVIRUS UPDATE 3 (4:25pm)– AUSTRALIAN NATIONAL POLOCROSSE
CHAMPIONSHIPS**

Good afternoon,

Hi everyone in light of the latest press conference from Scott Morrison and our Health Minister, it is now beyond our control and we have no choice but to postpone the Nationals at Ballarat due to start on March the 30th.

It is our intention in conjunction with the PAA to reschedule to a date possibly early spring. One option is September 28th to October 4th which is a week of school holidays right across Australia.

We sincerely apologise for this unfortunate circumstance. We will keep you informed of all information as it comes to light over the next few days. Again, I do appreciate your support and understanding throughout the last few days.

So, let's reload and make 2020 Nationals great, all be it a bit later than planned.

Thanks again Mick.

Regards,

Mick Templeton
