

Members wishing to participate in Polocrosse activities overseas must complete this form and submit via their State Association **at least 30 days prior to departure.**

Any player or official wishing to participate in polocrosse in another nation must obtain prior written approval from their State association and Polocrosse Australia.

Any Polocrosse Australia member currently suspended will be considered as suspended in all nations.

Instructions

1. Players or officials wishing to travel must complete the below international travel form at least 30 days prior to departure.
2. Email the completed form to your State office for approval.
3. If approved, your State association will forward the signed form to Polocrosse Australia.
4. Polocrosse Australia will then forward the completed form to the host nation and IPC. You will be included in this correspondence.
